

Thank you for your interest in our City Homes Series homes designed and built by DV Residential.

**Other builder's options are Standard at DV Residential!**

Visit our website for a complete listing of standard features and available options.

Choose one of our floor plans or one of your own and we will build your new home on our lot or yours.

Our Mission is to design & build high quality homes for today's families. DV Residential, LLC is a small custom home builder where each customer is treated with respect and dignity. Our size allows us to dedicate more time during the design & building process than our larger peers.
